RE: IEEE Standards 802.1Q

Dear Ms. Scozzafava:

We hereby agree that Nortel Networks Corporation will provide licenses under our United States Patent 6,111,876 with respect to the proposed IEEE P802.1Q standard and subsequent revisions. In that regard:

In the event the proposed standard is adopted and the standard cannot be practiced without the use of the cited patent, Nortel Networks Corporation agrees upon written request to grant a nonexclusive license under such patent on a nondiscriminatory basis and on reasonable terms and conditions.

This letter does not grant any right to the IEEE with respect to Nortel Networks Corporation copyrights or other intellectual property rights that relate to the proposed standard. Any party interested in the license described above may write to Gib Ritenour, Director Technical Standards and Patent Strategy at 2100 Lakeside Blvd., Richardson, Texas 75082.

Sincerely,  
  
Gib Ritenour
