Re: 802.1w Patent Statement

Dear Mr. Jeffree:

Cisco Systems Inc. is the owner of US Patent # 6.032,194 and other pending patents that may relate to the proposed IEEE 802.1w standard and subsequent revisions. In the event that the proposed 802.1w standard is adopted and the standard cannot be practiced without the use of the cited patent(s), Cisco Systems agrees upon written request to grant a nonexclusive license under any necessary claims of such patent(s) on a nondiscriminatory basis and on reasonable terms and conditions for the purpose of implementing the standard.

This letter does not grant any right to the IEEE with respect to Cisco Systems' copyrights or other intellectual property rights that relate to the proposed standard. Any party interested in the license described above may write to:

Robert Barr, Esq.
