Dear Geoff Thompson, Chair of IEEE 802.3:

This letter is written in response to your call for patents, which requested that ETRI confirm to the IEEE that we will provide licenses under our USA Patent application No. 09/474398 with respect to the proposed IEEE P802.3az standard. In that regard:

In the event the proposed standard is adopted and the standard cannot be practiced without the use of the cited patent, ETRI agrees upon written request to grant a nonexclusive license under such patent on a nondiscriminatory basis and on reasonable terms and conditions.

This letter does not grant any right to the IEEE with respect to ETRI copyrights or other intellectual property rights that relate to the proposed standard. Any party interested in the license described above may write to Jea Hoon Yu, Team Manager of Intellectual Property Management Team, at the address on the letterhead.

Sincerely,

Seon Jong Chung Feb. 21, 2000
