I write to you on behalf of PowerDsine Ltd., of Hod Hasharon, Israel.
I wish to confirm that PowerDsine Ltd has patents under application which are believed to cover technology described in a 802.3af standard that is under development or has been approved. It is the policy of PowerDsine Ltd. to license such patents to all applicants on reasonable and non-discriminatory terms to the extent that such patents are required in order to carry out such standard.

This letter does not grant any right to the IEEE with respect to PowerDsine copyrights or other intellectual property rights that relate to the proposed standard. Any party interested in the license described above may write to the undersigned at the address appearing below.
Mr. David Pincu shall be your contact person in this regard, until further notice to the contrary.

Sincerely Yours
