

IEEE Standardization Process—China Seminar

Agenda

25 April 2006

| Time | Topic | Speaker |
|--------------|---|--|
| 9:00-9:05 | Welcome of Chinese government | TBD |
| 9:05-9:10 | Welcome remarks from IEEE | M. Lightner |
| 9:10-9:15 | Welcome remarks from CCSA | CCSA |
| 9:15-9:20 | Welcome remarks from CESI | CESI |
| 9:20-9:50 | IEEE, Technological Revolutions, and the Importance of Global Standards | M. Lightner |
| | | |
| 9:50-10:20 | Introduction to the CCSA(TBD) | Baoxin Zhou/Shumin Cao |
| 10:20-10:50 | Introduction to the CESI(TBD) | TBD |
| 10:50-11:05 | The IEEE Standards Association | D. Heirman |
| 11:05-11:20 | IEEE Standards Association Overview | S. Mills D. Brophy C. Adams |
| 11:20-11:35 | • Principles of standards development | |
| 11:35-12:00 | • Types of IEEE Standards • Global strategy | |
| 12:00-13:00 | Lunch at Event Center at Shangri-La Hotel | |
| 13:00-14:50 | Participation in IEEE-SA | □□□□□□□□□□Ü |
| -13:00-13:30 | IEEE-SA standards development: individual process | R. Marks |
| -13:30-14:00 | IEEE Standards Association Corporate Program | Bilel Jamoussi |
| -14:00-14:30 | - 802 research and development in Huawei | Huawei (VP or Director) |
| -14:30-15:00 | - 802.16 research and development in ZTE | ZTE Mr. YuanWei (Director of Global Marketing) |
| 15:00-15:30 | Highly Scalable Ethernets | P. Bottorff |
| 15:30-15:45 | Tea Break | |
| 15:45-16:15 | Broadband powerline communications | J. Williamson |
| 16:15-16:45 | Laptop and mobile telephone battery standards | C. Powers |
| 16:45-17:00 | Wrap-up and invitation to participate in IEEE-SA | C. Adams |
