Correction Sheet
Issued 15 August 2005
Page 10, 4.4.1.5, equation (2) should be:

\[ T = \frac{(D - d)}{2} \]  

(2)

Page 13, 4.4.2.2.1 Dielectric spark test, the first sentence should read as follows:

During the manufacturing each unit length of cable shall withstand, without failure, a spark test in accordance with Table 2 below and Clause 900 of UL 1581-1997.

Page 13, the title of Table 2 should read as follows:

Table 2—Dielectric spark test

Page 25, 7.3.2 Induction heating systems, the last sentence in the paragraph should read as follows:

Table 6 lists the limitations and advantages of induction heating.

Page 25, 7.3.3 Skin-effect heating systems, the last sentence in the paragraph should read as follows:

Table 6 lists the limitations and advantages of skin-effect heating.
