

OPTIMIZING THE FOOD CHAIN THROUGH OPEN COLLABORATION

UNDERWRITING OPPORTUNITIES

Underwrite the opportunity to bring business leaders and technologists together to find the most efficient and expedient way to drive adoption of cutting-edge technologies to innovate the pharma/life science value chain. Your support helps us to keep prices affordable for all participants to engage and contribute to solutions, develop standards and enable commercial collaboration.

UNDERWRITING OPPORTUNITIES

This is the initial list of underwriting opportunities. The ideas don't stop here; we are open to hear what you want to work best for your objectives.

ALL SPONSOR PACKAGE OPTIONS INCLUDE:

- One full event registration for your staff
- Branding as a supporting sponsor on the EmTech Ag Forum website, on the at-event welcome signage, on the official 'Thank You to Our Sponsors' event slide running in the main session room
- "Thank You" mention in the "opening event remarks"
- Mention in the post-event report distributed to
- Link to your whitepaper hosted on your website

PREMIER SPONOR OPPORTUNITY

- Access to present one exclusive category (ie. Blockchain, AI, or IoT) Case Study presentation
- Opportunity to lead a roundtable working group discussion during the event
- Branding as a premier sponsor on Forum website and email campaign template
- Participation as a panelist on the pre-event Webinar accessible open to all registered participants
- Submission of an article for the IEEE-SA Life Science Bi-Monthly e-Newsletter
