

DISTRIBUTOR PROGRAM

IEEE STANDARDS FOR YOUR CUSTOMERS

CONNECT YOUR CUSTOMERS TO IEEE STANDARDS AND PRODUCTS TO ENHANCE YOUR BOTTOM LINE

IEEE Standards Association (IEEE SA) knows the value of essential information in today's technological era. IEEE SA can help grow your business by offering key products and information to your customers.

If you are a national or international publishing house, online library, or digital content aggregator looking to add products to your portfolio, consider IEEE products. IEEE standards are used around the world to help industries and companies realize business opportunities, generate public and customer trust, build order in the marketplace, and enhance safety in numerous electrical and technological fields. With more than 1100 published standards and more than 800 projects under way, IEEE can provide access to standards documents through familiar platform(s) and in your customers' language. Join IEEE SA's Distributor Program to get access for your customers.

HOW THE PROGRAM WORKS

1. Contact us with your request to become an IEEE Standards Distributor
2. Review and accept the terms, conditions, and technical requirements of the program
3. Sign the contract
4. Establish launch date
5. Receive ongoing support for your customer base, plus an annual review of your progress
