

# IEEE SA Standards Fellowship Program Overview

---

June 2021

# Program Overview

---

# THE IEEE SA FELLOWSHIP PROGRAM

- Staff from National/Regional Standards Bodies or Ministry Bodies are invited to participate in the IEEE SA capacity building Standards Fellowship Program alongside the IEEE SASB meeting series.

## Why Participate?

- Meet and share experiences with fellow standards development professionals and the IEEE standardization community
- Observe and learn about the open, global, bottom-up IEEE standards development process
- Tutorials on the latest IEEE standards development discussions in cutting-edge technology

# THE IEEE SA FELLOWSHIP PROGRAM

- Program in place since 2015
- To date, 65+ participants from 30 countries
- Global annual program and local/micro programs
- Learn about IEEE SA technical areas and participate in roundtables

- Bhutan
- Botswana
- Brazil
- Burkina Faso
- Canada
- Costa Rica
- Ecuador
- Egypt
- Ethiopia
- Ghana
- Hungary

- India
- Israel
- Jordan
- Kazakhstan
- Kenya
- Malaysia
- Morocco
- Mexico
- Nigeria
- Panama
- Rwanda

- Saudi Arabia
- Senegal
- Singapore
- South Africa
- Sudan
- Tanzania
- Tunisia
- Turkey
- Uganda
- Zambia
- Zimbabwe

# BENEFITS AND OPPORTUNITIES

- **Receive introductory tutorials** about IEEE/IEEE SA and on relevant areas of interest
- **Meet experts** in your organization's areas of interest
- **Meet colleagues** from other National or Regional Standards Bodies
- **Explore means** for cooperative activities
- **Attend meetings** of the IEEE Standards Association Standards Board
- **Present your organization** to an international audience of standardization experts
- **Get involved in IEEE** standards development work
- **Contribute to IEEE** working groups
- **Strengthen relationships** with IEEE and other National/Regional Standards Bodies or Ministries

# How to Get Involved

---

# THE IEEE SA FELLOWSHIP PROGRAM

The ideal candidate has:

- A thorough understanding of his/her organization's standards work program
- Insights into your organization's needs with respect to electrotechnical and ICT technology
- An understanding of standards development

# BECOMING A FELLOWSHIP PARTICIPANT

1. Candidate expresses interest

1. IEEE reviews expressions of interest

1. IEEE sends formal invitation

1. Nominee indicates topics of interest

1. IEEE arranges virtual meet & greet

1. Fellowship program week is held virtually/in person

# GET INVOLVED

**Please contact us for more information on  
how to join the Program!**
