5. OLD BUSINESS

5.1 AudCom Baselines Update Ad Hoc Briefing

Thomas Koshy updated AudCom about the work of the baselines update ad hoc, and thanked staff and the AudCom members for submitting comments on the draft Standards Committee baseline document. He also thanked Lisa Weisser and the ad hoc members for their work on comment resolution for the comments received, and mentioned that the next draft of the Standards Committee baseline should be ready next month.

5.2 Action Item Review - Lisa Weisser

Lisa Weisser reported on the action items carried forward from the previous AudCom meeting. During the discussion for two Standards Committee P&P reviews, topics were addressed that will be brought to the AudCom Baselines Update ad hoc to determine if there is a need to address them through the baseline documents. This is in progress, and will be incorporated into the comment resolution by the ad hoc.

5.3 Update on Expiring P&Ps [2022 and 2023] and Working Group P&Ps Requested
Lisa Weisser displayed the list of Standards Committees with P&P that were accepted that have not yet submitted Working Group P&P for review by AudCom. It was noted that some of the Standards Committees do not currently have Working Groups. The Standards Committees remain on the list until a Working Group P&P is submitted to AudCom for review.

Lisa also displayed the list of all Standards Committees with P&P expiring at the end of 2023 that will need to submit an updated P&P document to AudCom. She also reminded AudCom that one Standards Committee (CIS/SC) had requested an extension for its updated P&P that were due to expire in December 2022, and its P&P are expected within the first quarter of 2023.
