Interpretation Request #15

Topic: default value for attribute **Relevant Clauses:** 13.5.1.2, page 121 D10, lines 316-332

Clause 13.5.1.2, page 121 D10, lines 316-332 A default value for the inheritsched attribute is not specified. The default behavior needs to be specified for portable applications or it could result in differing behavior across platforms. What is the default value for inheritsched?

Interpretation Response

This is a duplicate. See Interpretation #3, part 3.

Rationale for Interpretation

None.
